

REMARKS

Each of claims 15 and 16 has been amended to depend from claim 11 instead of claim 10 to ensure proper antecedent basis for the term "pressing member" in each of claims 15 and 16. As a result of these amendments, claims 22 and 23 have been canceled.

As indicated in the accompanying Response to Election of Species, applicants have elected the species on which claims 10-12, 15, 16, and 19 read. Thus, claims 13, 14, 17, 18, 20, and 21 are identified as withdrawn.

Favorable consideration is respectfully requested.

Respectfully submitted,

Michael T. Gabrik
